

"IT'S WORTH IT" BOX

Some days our job is draining.
We just can't seem to win.
We find ourselves complaining,
and our mind begins to spin.

It's not all sun and laughter,
we whisper, "I am through."
But then a child smiles,
and they are looking up at you.

Please fill this box up all the way;
with cards, notes, and light.
Look back at all the lives you've touched,
Your impact shines so bright!

Take this out on stressful days,
When your brain is screaming, "quit!"
This box is a reminder, every child we teach,

IS WORTH IT
